Form 10-K for the fiscal year ended May 25, 2014

1. We note your response to our letter dated November 25, 2014 and the additional information you provided during our call with you on February 11, 2015. However, we object to your conclusion that the aggregation of your seven operating segments into a single reportable segment is appropriate under GAAP. As discussed during our call on April 2, 2015, please revise your segment footnote accordingly. Please confirm your understanding of this matter and that you will comply beginning with your fiscal 2015 Form 10-K. If you wish you may provide us with your planned revisions as part of your response to us.
